## BUSINESS REGULATIONS (Terms & Conditions of Enrolment)

### REGISTRATION

A student's name will be registered as an applicant following the receipt of the Application for Enrolment Form and the payment of the Registration Fee. This fee is applicable at all levels, ELC to Year 12. It covers administrative costs and is non-refundable.

### ENROLMENT

An Enrolment Confirmation Fee is payable within 30 days following the offer of a place. This fee, which is non-refundable, covers all administrative costs in relation to the processing of the enrolment.

### FEES

- The School will render its accounts four times a year, payable at the beginning of each term, one term in advance. The first payment is due on 15 October for commencement in the following year. Accounts are payable on 15 October, 15 February, 15 April and 15 July.
- Where fees remain unpaid by any due date, a late fee of \$100 will be charged. This fee will be charged each 30 days that the account is outstanding after the due date.
- A 10% reduction of the Tuition Fee is available for the second sibling; and a 15% reduction for subsequent siblings attending concurrently. This discount is not available for a student who receives another financial benefit from the School eg scholarship recipients.
- A 3% reduction of the Tuition Fee is available when the full year's payment is made at the commencement of the billing period in October.

### DEFERRAL OF ENROLMENT

Enrolment can be deferred for entry in a later year following an acceptance of a place but does not guarantee that a place will be available at that time.
